

# Enforcing the Underage Drinking Laws Block Grant Program

## Performance Measures

The Government Performance and Results Act (GPRA), Public Law 103–62, requires that recipients of federal grant awards collect, analyze, and report data that measure the results of strategies implemented with federal funds. To ensure compliance with GPRA, OJJDP will require grantees to collect and report data which measure the results of the program implemented with this grant. The following performance measures are required:

Note: Table has been updated to comply with new formatting requirements.

Objective	Performance Measures	Data Grantee Provides
To support youth/statewide task forces	<p>Number of youth involved in task force activities</p> <p>Number of agencies involved in task force activities</p>	<p>Number of youth involved in task force activities (e.g., educational work with law enforcement, serving on task force board, committees)</p> <p>Number of agencies involved in task force activities that support underage drinking prevention and/or enforcement</p>
To support public advertising campaigns	Number of earned media coverage episodes/events	Number (by type) of earned media coverage episodes/ events related to EUDL activities, underage drinking prevention and/or enforcement (interviews, op-ed pieces, TV coverage, etc.)
To support innovative programs to prevent and combat underage drinking (i.e. retail compliance checks, third party provision operations, party patrols, youth oriented impaired driving enforcement)	Number of grantees involved in one or more innovative underage drinking enforcement activities	Number of grantees involved in one or more innovative underage drinking enforcement activities, such as retail compliance checks, third party provision operations, operations directed at underage drinking in social situations (e.g., party patrols), and youth-oriented impaired driving enforcement.

Objective	Performance Measures	Data Grantee Provides
<p>To support innovative programs to prevent and combat underage drinking (i.e. retail compliance checks, third party provision operations, party patrols, youth oriented impaired driving enforcement)</p>	<p><b>Only for grantees conducting compliance checks:</b></p> <p>Percent increase/decrease in establishments that are in compliance, as demonstrated by:</p> <ul style="list-style-type: none"> <li>• Percentage of retail establishments checked that were in compliance at the end of first reporting period</li> <li>• Percentage of retail establishments checked that were in compliance at the end of second reporting period</li> </ul>	<p>Number of retail establishments checked that were in compliance at the end of the first reporting period, compared to total number of retail establishments checked for compliance at the end of the first reporting period</p> <p>Number of retail establishments checked that were in compliance at the end of the second reporting period, compared to total number of retail establishments checked for compliance at the end of the second reporting period.</p>

Recipients' assistance in obtaining this information will facilitate future program planning and will allow OJP to provide Congress with measurable program results of federally funded programs.
